NOTES:

- A \$2 late-booking fee will apply to any appointments booked after 5PM the day before the service date.
- The Dotimely site/app will only allow you to book appointments up to 48 hours in advance so that we have time to approve them. Please text our business line to add appointments within 48 hours from the appointment date/time.
- If you pay for a subscription and would like to add an additional day on, the daily price of the subscription cost will be charged.
- Please reach out for Package and/or Subscription prices for receiving different services throughout the week, (example: receiving both walks and daycare throughout the week).
- On weeks with a stat holiday, clients receiving 4, and 5 day/week subscriptions will be charged for one less day at the same subscription cost per day if they decide to book one less day.
- Enrolled dogs receive priority reservations for overnight stays. All new dogs must attend at least two days of daycare prior to spending the night so they are comfortable in our environment. Boarding dogs participate in open-play daycare during the day.
